Lead Instructor

Jim Ogle
FDNY Tower Ladder 14

Jim currently works at Ladder 14 in Harlem with the Fire Department City of New York. Prior to working at FDNY, Jim worked at two other career departments including Montgomery County (MD) Fire and EMS Department. Jim specializes in Special Operations training and has extensive training experience.

Class location

FD Mount Joy
111 New Haven Street
Mt. Joy, PA

Only \$190 per student
www.TaskForce1.net

Presented TASK FORCE 1, Inc.

The Topics:

The basics to the advanced
Vent, Enter, Search
Horizontal and vertical ventilation
Tactical use of ground ladders
Forcible Entry – Forcible Exiting
Rapid primary search procedures
Overhaul
Riding Assignments/Tool selections
Offensive use of aerial apparatus

The Program

This very aggressive, hands-on 2 day academy incorporates truck company operations, truck company officer strategy and tactics, aerial apparatus practices and concepts capped off with a series of challenging hands on training evolutions.

Task Force 1, Inc. instructors will bring their “best practices” and “down and dirty” skills to showing these concepts and practices can work for your department.
